Dedication

The Wasconian Staff is proud to dedicate the 1979 yearbook to a man that has contributed much to the education offered by Wasco High. As students at Wasco High we feel that Mr. Jim Rowbottom has added so much to our high school years.

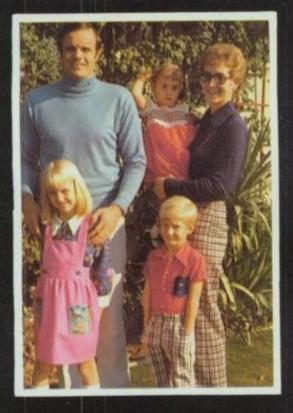

Mr. Rowbottom was born on October 7, 1940, in Minnesota. He is from a family of 2 girls and 2 boys. Graduating from Virginia High School in Virginia, Minnesota, Mr. Rowbottom then graduated from Mesabe Junior College also in Virginia, Minnesota. His next 2 years of college education was spent at the University of Minnesota at Duluth, Minnesota. He then followed through with his Master's Degree at Michigan State. His first year teaching was at Steven's Point High School where he was head of the Math Department, following in his father's footsteps, who was also a Math teacher. Besides this he coached Baseball. In 1966 he felt there must be a better life in this world so he tied the knot with his wife, Verna. They moved to Wasco in August of 1966.

Mr. Rowbottom started teaching at Wasco High the year of 1966-1967. He has 3 children: Leslie 10 years, Jimmy 8, and Laura 5. Since he has been at Wasco High he has coached Basketball, Baseball and Powderpuff football for 11 years. He is the head of the Math Department and the advisor for the Math Team. In 1978, he was chosen Kern County Teacher of the year. Besides all the time he has given to the students of Wasco High, he has done volunteer work for both the Red Cross and the Heart Association. He is also on call for the Wasco Ambulance. Thank you, Mr. Rowbottom, for all the time and caring you have given all of us. Best wishes in the years to come.

> Sincerely, The Wasconian

The Senior Class officers were well organized and accomplished a lot. They went to work with pride, spirit, and confidence. It was with the help of these three qualities that the Senior class met its goals. The Seniors started the year off by selling pom poms and book covers. They went right to work on their homecoming float and the homecoming dance. They kept busy throughout the year with various money raising projects and other activities. The year was finished with the exciting Disneyland trip and the much awaited graduation exercise. With the leadership of the class officers and the head advisor, Dixie Schroeder, the year was a big success and a memorable one for the great CLASS OF '79.

Mr. Bhone, Band Director

This year the Wasco Union High School marching Tiger Band is one of the finest we have ever had. Before school had even begun, the band was hard at work practicing their half-time show and for the Rose Festival. This year there were a few changes. One was the drummer's new cavalier hats and shirts. Also the flag girls bought new flags. Plus during the half-time show, they had a new entrance. Instead of coming in at the end of the field, they came in from the corner. These all gave the band a look of class. During October, the Wasco High Band went to Selma, California, for a parade. In November they went to Arvin for the half-time show competition. Last year Wasco took first place beating Shafter High. This year they again took first. Besides parades, half-time shows, and competitions, the band also had some money raisers. Last year they used the money they raised from selling candy and jewelry to go to Disneyland and Magic Mountain. They were asked to perform at both amusement parks.

The jazz band is a well traveled band.
They are the host for the Wasco Jazz
Festival. Twenty-seven bands from all
over the valley come to compete for trophies and awards. The band also travels
to Reno for the Reno Jazz Festival which
hosts bands from all over the United
States.

The jazz band plays a mixture of Swing to Jazz-Rock. Jazz Band is composed of only the top musicians here at Wasco Union High.

This year the Chorus is lead by Mr. Michael Bhone. Their pianist, is Mrs. Martha Ingle. All of them have been working hard this year to perfect their talent. They plan to perform at benefits. The Chorus also plans to appear in school concerts.

Their officers consist of Penny Luna, President; Paul Newton, Vice-President; Darlene Hollister, Secretary; LaRena Heath, Treasurer, and Librarians — Lisa Bottoms and Virginia Stallman.

The Chorus is known for their outstanding accomplishments. We are sure that this year will be no exception.

L to R.: K. Reding, J. Schmidt, T. Whitworth, N. Anderson, S. Kroeker.

This year the Pep Band is led by Skip Penner and Derek Hester. Their advisor is Mr. Michael Bhone. The year started out great with hours of enthusiastic practice. These people spend hours of their own time getting ready for games and rallies.

During the basketball season the pep band plays at all games. They are the ones who fill each rally with music. They feel this is a great way to show school spirit.

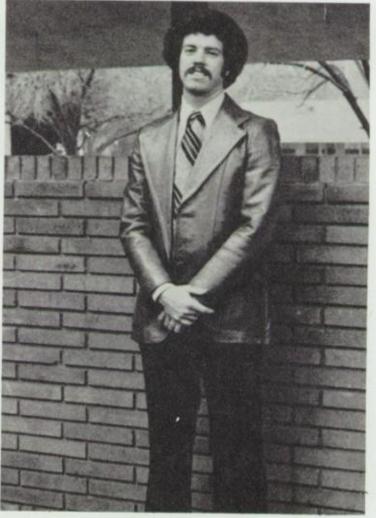

In their spare time each section works hard to perfect their music. They have a great time. They take pride in what they do. After school you can often find the Pep Band hard at work. It's no wonder they are all puckered out.

The Wasco High Math Club for the 1978-79 school year is of medium size.

Although only three members are seniors, the club consists of twenty to twentyfive members

Activities have been scheduled for the club as they have been in the past. The Central California Field Day, which takes place in Fresno, and the Cal State Field Day, which takes place in Bakersfield. Wasco has done an outstanding job in these two events during the past years, and they will do a very good job this year, also.

A portion of the members compete at Cal Poly in the Poly Royale Contest, which occurs in April.

This year all of the officers of Math Club are seniors. They are Jennifer Schmidt, President; Lynn Lassley, Vice President; Leland Prewett, Secretary-Treasurer.

Advisor: Mrs. Crawford.

This is the second year that we have had the Volleyball Club at Wasco High. The advisor of the club is Mrs. Crawford.

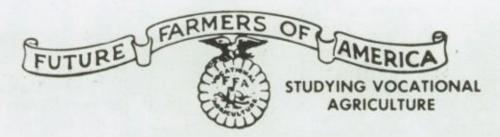

At the beginning of the year, the club had a car wash as a fund raiser; they raised \$80. They are planning to buy volleyball T-shirts.

A Volleyball Clinic is being planned for February. A tournament will take place at the end of the clinic.

There are only two officers, and both are seniors. They are Ann Martin, President; Jennifer Schmidt, Secretary-Treasurer.

The volleyball club wishes to thank everyone for their support during the season.

Todays Students

This year the Future Farmers of America have been busy. At the Rose Festival they had a deep pit barbeque. The students and advisors worked real hard on it. They also served the lunch at the Festival. On March 3rd the FFA has their 39th annual banquet. There students and parents alike will get awards such as: most improved, father and son award and star chapter farmer.

At a recent meeting several students were awarded the degree of chapter farmer. They include David Chernabaeff, Joey Chernabaeff, Adrienne Craig, Kelly Duncan, Tim Eves, Tom Gresham, Jackie Kent, Allan Long, Emily Rubio, Jimmy Simpson, DeAnne Ward, Danny Wilson and Rhonda Wright.

Bragging about those good grades again?

A well-known organization at Wasco High is the California Scholarship Federation. The California Scholarship Federation is a statewide organization. It was founded in 1921 by Charles F. Seymour to encourage scholarship. In memory of Mr. Seymour, special scholarships are awarded each year. These scholarships are awarded to the outstanding boy or girl from each of the five California Scholarship Federation regions. Hollie Shambaugh, California Scholarship Federation president, is Wasco High's candidate for 1979.

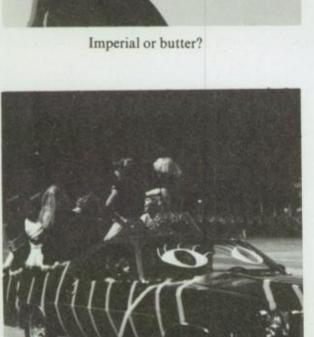

The California Scholarship Federation of Wasco is an active group. The club made Christmas placemats for the North Kern Hospital patients, as a service project. The club also held a Christmas party.

The club attended the Spring Conference on May 12 in Fresno and visited a college campus. Their final event was a banquet honoring the Life Members of California Scholarship Federation in May.

It was a triple victory for Wasco High on Homecoming night, November 3, 1978. Our first victory was the Varsity Football team win over Taft. The Varsity score was 27-15. The exciting game warmed the hearts of the shivering fans as the teams battled it out. Unfortunately, our Frosh-Soph team lost 32-0.

The second victory for Wasco High was the outstanding job done on all the floats, especially the Senior float which won Sweepstakes. It depicted the theme "Tiger Machine." The Junior float received first runner-up. In

addition to the class floats, clubs were also entered in the competition. The F.F.A. float received an outstanding second runner-up. Falling behind these three floats were the Sophomore and Freshmen floats receiving third and fourth runner-up, respectively, for their efforts. Trailing behind came the other club floats. They were the Black Student Union (B.S.U.), California School Employees Association (C.S.E.A.), W.U.H.S. Faculty Association, and the Choir float. Some floats which ran in the game parade were not included in the competition. These included the "Wee Tiger Machine," and the Cheerleader's float. 58 HOMECOMING

The most glamorous victory for Wasco High was the crowning of the 1978 Homecoming Queen. This year's queen was Yvette Arrambide. Her escort was Jerry Worthy. Yvette's Court consisted of four princesses: Jennifer Schmidt and her escort Jimmy Nixon, Patricia Dillingham and her escort Dale Dillingham, Melissa Hodges and her escort Chris Hodges, and Vickie Stoutingburg and her escort Robert James. The evening of Homecoming was one that all of these victors will never forget.

Caught in the act!

This years Powderpuff game, which was held October 27, 1978, was a fantastic victory for the Senior class. The Juniors however, had a minor setback and lost 32-0. After the opening kickoff, the juniors had the ball. The only bright point of the drive was Tammy Bloemhof's 12 yard run. On the seniors first drive, P. Dillingham scored on a 60 yard run. The next time the juniors had the ball an incomplete pass stopped their drive. When the seniors got the ball, it seemed as if they were headed for another touchdown, but the junior defensive standout of the game, D. Nugent, made a great play. However, the determined seniors still scored on the drive. Before the half was over, the seniors scored again and at half time it was 20-0. In the second half the juniors came out of the locker room with fire in their eyes but it was quickly extinguished by another senior touchdown. The juniors put a great goal line stand against the seniors. The seniors scored again before the game was over for the final score of the game. The juniors showed great sportsmanship in the game.

Achievement Report

The story you are about to read is true, the names have not been changed because there are no innocent.

Sometime in the beginning of February, thirteen men and women were wanted by Bank of America for various achievements. Two women, Lynn Lassley, and Hollie Shambaugh, both of medium height and weight, are the most wanted, and are receiving plaques for their accomplishments. Along with these two women, there are eleven other men and women who are wanted by Bank of America. These people and their achievements are listed under their picturer above. Due to unfortunate circumstances, Robin Messick is still at large and a photograph of him is not available at this time. If anyone has any knowledge of the whereabouts of these people, be sure and congratulate them on their fine achieve-

This past summer three Wasco High School students participated in Boys' and Girls' State at Sacramento State University. The three students participating were Ted Burtner, Todd Knox, Hollie Shambaugh. They acted as council persons of all activities. Their respective cities were assigned to them. It was very rewarding experience for them learning about their state governments and how it functions. Congratulations for being elected to representing Wasco High at Boys' and Girls' State.

The Decision Makers

Board Members: Delbert Bowles, Warren Carter, James Penner, Joe Esnoz, Robert Merz.

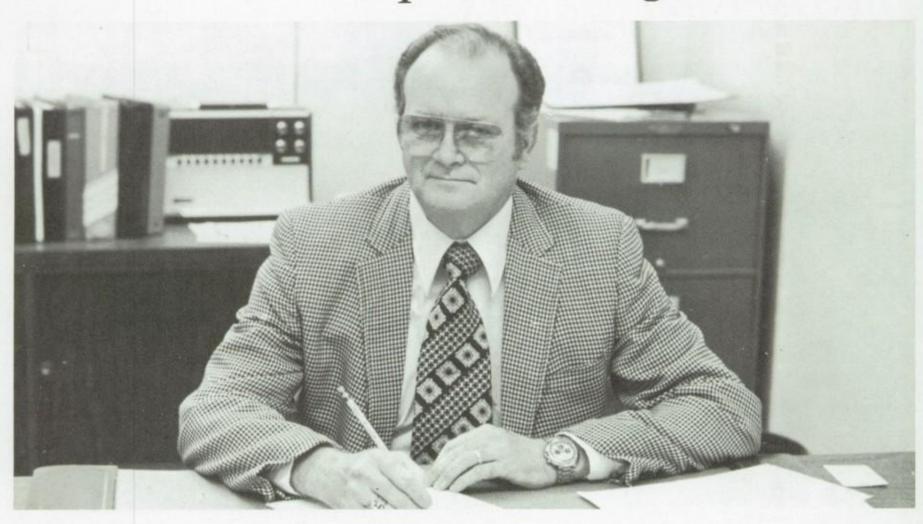

Hollie reports to Student Council.

The Wasco High School Governing Board of Trustees is a group of five men, who have been elected to a term of four years. The Board meets twice a month (except in July, August, November and December). The Board has the responsibility of making the policies for the district. The responsibilities of these men are endless and with these responsibilities come hours and hours of work. This year Hollie Shambaugh was elected by the Student Body to represent them on the board meetings. Hollie is a non-voting member, but she has a voice in discussions and lets her fellow trustees know the view-point of the students. On behalf of the Student Body, we would like to thank the Wasco High Board of trustees for a job well done.

Hollie Shambaugh, Student Representative to the Board

Help, Encouragement, .

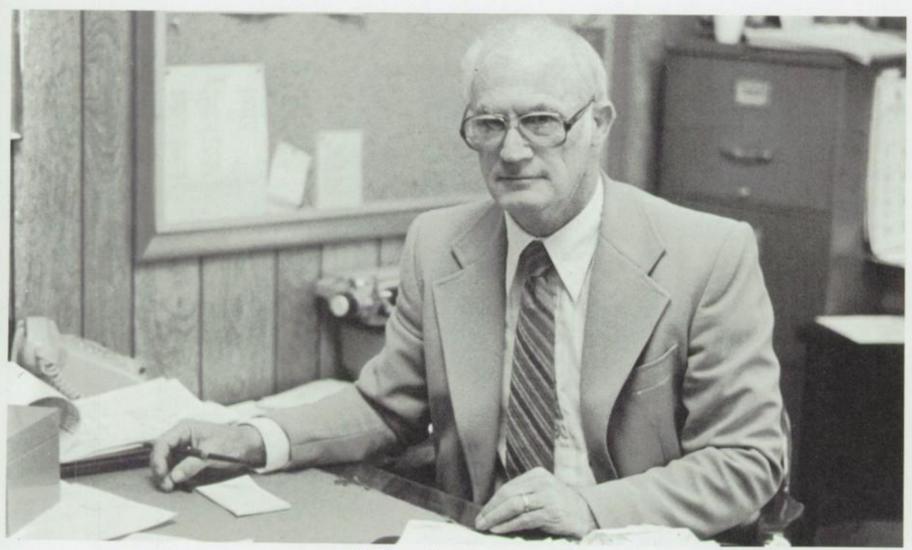

Our values are the things we are for and the things we are against. They give purpose and direction to our lives . . . If our values are clear, consistent, and soundly chosen, we tend to live our lives in meaningful and satisfying ways. If we lack values, or our values are confused and conflicted, we tend to live our lives in troubled and frustrated ways. I sincerely trust that your experience at Wasco Union High School has been one that has given you skills that help you to sort out conflict and confusion in your lives, a to help you find the things you value.

Kenneth L. Proctor

. And A Lot Of Hard Work.

Mr. George Terry, Assistant Principal

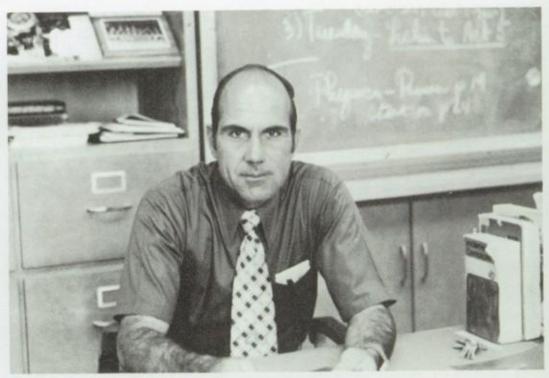

Mr. Gerald Johnson, Director of Instructional Services and Adult Education

The administrators at Wasco High have worked very hard this year in making the school a better place to learn. Most of us overlook the time and effort involved in running a school. They listen to our problems, keep our school under control, and just be there when we need them. We thank you a million times over.

This year's executive board did a very good job in setting their goals and carrying hem out. During the school year they faced many problems, yet they handled each ne with efficiency.

Inknown to most people, being an ASB officer is not all fun and good times. They pend long hours making decisions, heading committee meetings, and going to long esssions. An ASB officer is often in tricky situations, because they have to make lecisions that make enemies. So, next time you criticize an executive board memper try putting yourself in their place first. Things aren't always greener on the other side.

Being ASB officers does have it's advantages though. They meet and make many friends from the executive boards of other high schools. They gain the personal satsfaction of doing a job well done, and they grow and mature through their experiences. And also, just being an ASB officer is an honor.

Next time you see an ASB officer try telling them thanks and tell them you appreciate their efforts for a job well done.

ASB President — Todd Knox

I would like to thank each student of WUHS for allowing me to serve as A.S.B. President this past year. I have enjoyed it very much, and it has been one of the greatest experiences of my life.

I'd like to thank Miss Whisler for all the hours she put in to advise and support our student government.

I was blessed with being able to work with some really beautiful people. The executive board did a fantastic job this year, and I could never thank them enough for all the time and effort they put in to make this school better for you.

Once again, I'd like to thank you for electing me, and I hope each of you have enjoyed this year as much as I have.

Thank you,

Jold Knox.

Living In The U.S.A. — Hugo's Style

From September till June I have had a great time, not to much homework and studying, but just taking it easy. Anyway I have learned a lot about all kinds of American customs, like getting up early and eating hamburgers for

Actually I knew about America from television, the programs like Starsky and Hutch and all kinds of Western movies. At my staying here I've really enjoyed the "cowboy life," like riding horseback and working cattle. I've travelled through California and the states next to it. I really love these states, because of their difference in landscape, their beautiful nature and the ocean. I want to thank my family because of all the great and fun things they've shared with me. They really treated me as one of their own kids.

Things I liked the best about school were the sports, my music class and the lunch break.

I want to thank all the teachers and students I know for all the things they did for me and the great fun time they've given me. I am inviting you all to come to Holland one of these days, and I will try to come back in a few years to visit my family in Wasco.

Traveling With Class

1st Sem. President: Laurie Lollar

The Junior class kept really active this year. Their school spirit was shown by their support at rallies and games. They raised money by selling bumper stickers, holding a dance, and from the annual powderpuff game. They also sponsored the Junior-Senior Banquet. A lot of hard work was done by their class officers with the help of their class advisor to make this a really great year for the class of "80."

The Sophomore class showed much growth over last year when they were Freshmen. They became more involved in student government, and especially in spirit contests. They won the spirit flag many times. As far as money raising is concerned, the Sophomore class had a bake sale, a car wash, and a dance. Overall, it was a very prosperous year for the Class of "81."

The administrators vs. the students?

Kristi gives her opinion.

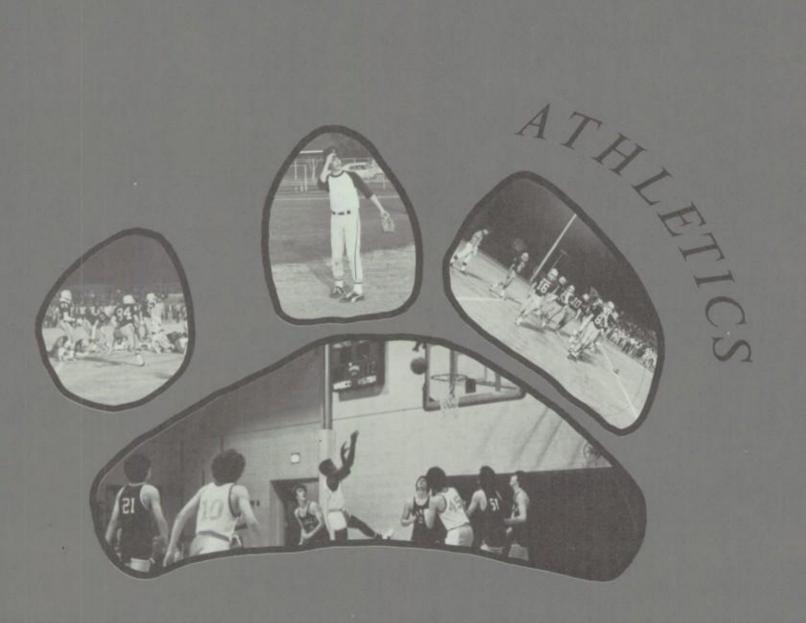

The 1978-79 Student Council accomplished a great deal this year and was a real credit to the student body. They put time, effort, and enthusiasm into their decision making.

A highlight during the year was when Mr. Proctor and Mr. Cutner came to a meeting for a "question and answer" period. The members wer given an opportunity to ask questions about anything concerning the school, its rules, and its policies.

Another important responsibility of the student council was the revising of the constitution. There was much discussion and many major changes were made.

This year's Student Council did a great job. We really appreciate their time and their effort. Thanks for everything.

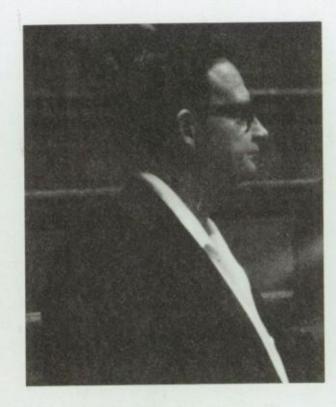

Athletic competition provides a unique opportunity for the development of discipline, individual sacrifice, teamwork, and the initiative to perform certain feats against difficult odds at a maximum level of performance. This year at Wasco High there have been some outstanding performances by our teams. We have also had more girls participating in our athletic program than ever before.

In athletics, at the end of every year, there are many thanks, awards, and trophies given to the coaches who directed and advised, the teams who worked and performed, and the parents who supported the program. But many times there is one person that receives little or no recognition. That peron is the athletic director. This year our athletic director is Mr. Jack Burtner.

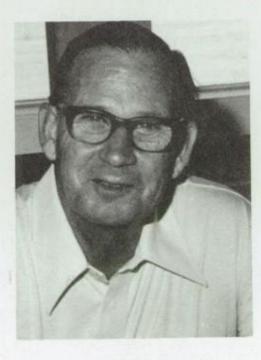

Some of the many jobs the athletic director include directing the program, attending all league and professional meetings, assuming the responsibilities for the purchase, care, a maintenance of all equipment. He also schedules all contests, and then reschedules if they are postponed. He also assists in the selection and evaluation of the athletic staff, and is responsible for all athletic publicity to the local newspapers and radio.

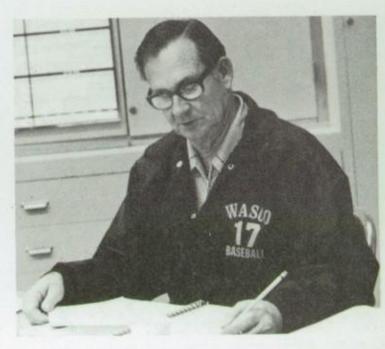

With all this responsibility Mr. Burtner still has time to go with the teams to their various games to support them. He spends ample time cooperating with the coaches, gets to know the students and their parents, and tries to help as many individuals as possible. He also feels that he has been able to improve the athletic program and that he has set realistic goals and accomplished many of them. With 28 years of experience behind him, he has a lot of practice being involved with athletic programs. The new challenge of being athletic director, he feels, is a great experience and he enjoys seeing the progress of others around him.

Although the season record for this year's Varsity Football team included three wins, five losses, and two ties, by the final three games of league action, Wasco was "the best team in league," according to Coach Chapman.

Taft was the first team to fall to Wasco, and the game fought with this team was perhaps the toughest one played during the entire season. Being well-coached was this opponents stronghold; however, three key mistakes were made and Wasco was able to capitalize on each for our team's own gain. The least difficult victory for the Tigers came a week after the victory over Taft. This time Wasco's young men who were supervised by head coach Chapman and assistant coaches, Kautz and Thiessen, easily outscored

Corcoran, 36-12. This was made possible by an equally strong defense and offense. In the final game of the season, Wasco again triumphed with a score of 24-6 to defeat our arch rivals, Shafter.

The slow start of the offense held the football team back in the beginning of the 1978 season. According to Coach Thiessen, "As the offense got better, the team record improved. This also complimented the dejense." As quarterback Roel Sanchez gained experience, improvement, and confidence, the offense also improved. By the time league began, everything started to jell as was seen by the outstanding performances by two seniors as defensive players. David Hunt possessed a break away threat which eventually led him to gain 400 yards on 73 carries in 4 games. Kelly Urquhart also gained a lot of yardage - 368 to be

Leadership was not dominated by any one person on this team. It was more of a group-type of leadership. This was especially evident when the team members tried to select two players as their co-captains. Fourteen young men were nominated to fill the two co-captain positions. Eventually, Ted Bloemhof and Dan Linton oficially became co-captains. However, a lot of motivation developed when David Hunt got out on the field. He was able to stimulate the team due to the outstanding way he played. Eric Graham was also a leader on the special teams.

There were mixed emotions about the change from having three football teams to only two, Varsity for juniors and seniors, and Frosh-Soph for freshmen and sophomores. Some felt that it enabled the Varsity to have some players that it might not have had otherwise. Also, it gave players who could play, an opportunity to prove their abilities. Others felt that by excluding the J.V. team, some players did not receive the chance to participate because of the lack of positions to be filled and the over abundance of players. Possibly by next year, the effects of this change will be more noticeable. However, our team will still have many hopefuls returning the quarterback, Sanchez; the two best receivers, Mike Azparren and Scott Parker; offensive man, Sheldon Hood; defensive man, Jimmy Pearson; and both offensive and defensive players, Dan Nazaroff and Jeff Hart. Hopefully, these football players and the others who will compose the 1979 team will be cheered on by fans as the 1978 team was. Enthusiasm plays a large part in athletics and can help our teams to achieve victories. As one coach said, "Don't take it (enthusiasm and support) away from high school football." This holds true with all other sports too.

Other award winners included: the most valuable player award given to Ted Bloemhof, most improved — Kelly Urquhart, and scholastic — Dan Wilcox.

The Tigers and coaches did ponder many moments this season. In conclusion, Coach Chapman said, "I've really appreciated being a part of the Wasco High Tiger Football Program, and I feel really sad about leaving. I'd like to thank the Student Body for supporting it and my family."

For the Cubs, this was an up again, down again year. After starting off the season impressively defeating their first three opponents, the Cubs lost their next three games before getting on the winning streak again with a win over Coalinga. The final season ended with a record of 4-6. Even though they didn't do very well in league, the Cubs did show there is promise for a fine season next year. We wish good luck to our future Wasco Tigers!

What did I do wrong?

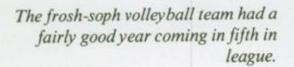

"High intensity workouts:" is what Coach Crawford calls the teams training. This is a way of keeping the team together and of keeping spirit up. It involves keeping the players under pressure constantly, during practice, to want to achieve 100% on all the sets, spikes, bumps, hits, etc. These practices started during the summer, two weeks before school started, with running and highly concentrated workouts. The team tied for fourth, in league, with Shafter.

Wasco's defense was especially good this year and is considered the #1 defense in league by several coaches from other schools. They also had a good hitter, Ann Martin, who in previous years was a setter. She was switched to a hitter and classified as an all league player as a hitter. The #1 setter for Varsity this year was Laura Gordon. The team was well united and tried very hard to do the best they could.

Kittens Climb To The Top!

Top row: K. Lassley, A. Williams, D. Chalmers, A. Turney, M. Dunlap. Bottom row: R. Brady, L. Hall, S. Bloemhof, L. Hall.

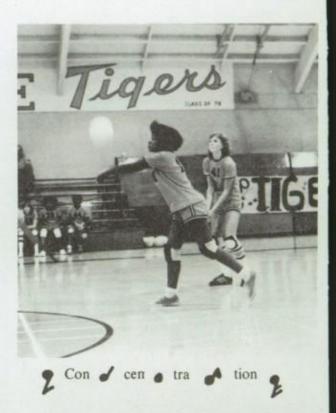

They all had good attitudes no matter what the scoreboard said. Even though they had a few problems at first in achieving a good serve, they played well and tried their very best. Mylene Dunlap turned out to be the #1 server on the team.

Their top setter, Karen Lassley, did a very good job in getting the ball into the air for the spiker. Sharlene Bloemhof was a very good hitter and did her job well.

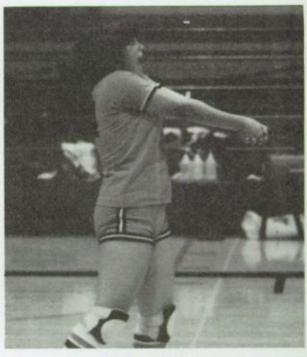

Boy, was that fun!

The team started practicing two weeks before school started and practiced after school for several hours every day. They practiced hard on all their sets and spikes until they were totally exhausted. They played very well into the season and had a little trouble with Garces. Corcoran was an easy comeback, though, and they beat them both times. The team was united and showed good effort and a positive this season.

After only two years in the S.S.L., the girls' Cross-Country team has won the league Championship under the first year coaching of Mrs. Linda Janzen. Many hours of hard work and dedication went into this team and it payed off with a Championship. This year's team was led by Nellie Varela, who placed 3rd in the league meet. Congratulations to her and the rest of this fine team. We hope you have continuing success next year!!!

It was a disappointing year for the boys' cross-country team; however, it was an exciting one for senior Juan Reyna. He was the only runner this year to qualify for the Valley Championships. This year's Valley Championships were held at Porterville. Juan Reyna placed a magnificent tenth place in the field of one hundred.

One contest for this year's Cross-Country team was the Wasco Invitational. Approximately twenty schools competed in this meet. Unfortunately our home team did not take first place; however, it was a worthwhile experience for the Wasco Cross-Country team members. With all of these fantastic runners, and possibly some new runners, we are looking forward to next year's Cross-Country team. It should be a great season, and we hope you will them all of your support.

The Frosh-Soph Cross-Country team's season record was not up to par; the record was 4-5. Julian Jiminez and Robert Gonzales placed highest on the team in the two-mile run. Their time was a 10:50, and freshman Adam Perez was right behind with a time of 10:59. The team placed third in the League meet right behind Corcoran and Shafter. Next season, Coach Darby feels that his team will be stronger and hopes they will finish higher in the League this next year.

For the first time in four years, the Wasco Tigers have shown promise in being SSL champions. And they did just that, but shared it with Garces and Shafter. With an impressive 7-3 league record overall. This season was an exciting one for Wasco High basketball, with Wasco beating Shafter 69-57 to represent the SSL as the second seat behind first seated Garces. In first round action, the Tigers beat Tranquility 60-51, but then suffered a loss to the team ranked #1 in the valley, East 70-45. We are very proud of these Tigers because they help promote school spirit and bring a lot of pride to Wasco High.

The Frosh-Soph basketball team got off to a rather slow start, losing to some very tough teams in the Bakersfield area. But they stuck together and were determined to be ready when league came around.

The cubs were a completely different team when league came, winning their opening league game against Garces. After losing to Coalinga, the cubs won three straight games and were tied with Garces for first. Garces beat them at home and were now in first place. The cubs won their last four games, but it wasn't enough, as they lost the league championship to Garces by one game. Their league record was 8-2 and their overall record was 11-10.

The 1979 Wrestling season brought two new coaches to Wasco High. The new coaches were Rod Balch and Randy Horton. Their talents, along with the wrestlers' gave Wasco a League championship. Wasco ended the season in a tie with Shafter.

The Tigers started out the season slowly with a couple of pre-season losses. Once League started, the Tigers were only beaten once. The one loss was to Shafter in the second round.

The biggest team victory came when they beat Schafter in the first round. Shafter had beaten Wasco two years in a row.

Wasco's team was so good because of outstanding individuals. Ten of the guys qualified for divisionals. Vincent Moreno, a senior, got third in divisionals and went on to Valley. At Valley he qualified for the State Tournament. Vince had a super year! Congratulations!!

Out of 13 wrestlers, only 5 are seniors. Because of the good JVs coming up, Wasco should be unbeaten next year.

This is how you would describe this year's J.V. track team. They are working hard and struggling to win the annual S.S.L. championship again this year. The members of the team not only have a specific training period and activities, but they must also stick to a certain diet and weight. But they do not seem to mind, they have TIGER SPIRIT! According to Coach Kautz these tigers seem to be enthusiastic about the team as a whole, and about their individual performances. We hope to see more successes and more goals attained in the near future by the Fr./Soph team.

Pep talk

The Wasco High School girls' track team is a relatively large one this year. It consists of approximately twenty-three girls. The team gained a new coach this year, also. Their coach is Mr. Bill Peck.

There are only five seniors on the team; therefore, there is a great possibility that many of this year's girls will be back again next year. These girls will then be even more experienced.

The girls' track team has done very well during the past two years, as they have won second place in the South Sequoia League.

Coach Peck, along with the girls, would like to thank everybody for their warm support that they received during the season.

This has been an interesting year for the Varsity Cheerleaders. A year with many problems as well as some honors. First the squad lost Mrs. Parker as their advisor. Second Lyndi Tatum who was Tilly the Tiger moved. Then their next advisor Mrs. Watson resigned. Even though they have had their troubles they still tried their hardest at each game they attended. During football they made many posters to show the spirit of Wasco High.

During the summer they went to a camp in Santa Barbara. There they won different awards for being the most spirited squad.

The Varsity Cheerleaders squad consists of Teresa Newman — Head, Yvette Arrambide, Shauna Clay, Randy Dunlap and Debbie Nugent who is Tilly the Tiger.

This year's tennis team is once again looking forward to a championship. They are led by three seniors, who hold the first three positions on the team. The rest of the team is made up of eight juniors, three sophomores, and four freshmen. The team hopes to do well since they have five returning Varsity players. Coach Frank Thiessen is very proud of his hard-working players, and is also very confident of this year's championship. Next year's team also will be a promising one. Only three seniors will be lost. We hope that you will give the tennis team all of your support in the coming years.

Coach Shirley Puccinelli

The Varsity Girls' Tennis Team of 1979 was an enthusiastic and determined bunch of girls. It was composed of three seniors, three juniors, and four sophomores, giving an advantage by having a good, experienced tennis team in future years. They had lost eight top senior players from the year

before, so they had to work and practice extra hard in order to win the SSL title again. The team entered the season by warming up with some practice matches, and then played tough on the court during league for the rest of the season. The top eight players that represented the team were Nancy Holloway, Lynn Lassley, Barbara Schroeder, Tammy Bloemhof, Christa Hulse, Teresa Miller, Brenda Diseth, and Julianna Fanucchi.

This year's Junior Varsity team is made up of one junior, six sophomores, and five freshmen. The team consists of girls who did not make the top eight Varsity positions. Although they are not yet competing at the Varsity level they still work hard. They put in as many hours as the Varsity players. They are looking forward to making the Varsity squad. Good Luck, girls.

Up, Up, and Away

Back it up and do it again!

Straight in . . . Well, almost!!

This year's diving team consists of Deena Eskew, Steve Burt, Lori Woolly, Marco Ledesma, and Traci Bond. These divers have taken it upon themselves to coach each other, since there is not a diving coach this year. They have attended various clinics in Madera and Clovis, and

some even continued diving after the season was over.

Our top diver, Deena Eskew, is back with us again this year; unfortunately, however, it is her last year of diving for Wasco High. She placed an outstanding first in the League meet, breaking the record for eleven dives. She also holds the school record for eleven dives. Deena dives all year round, and it really shows during the season.

The number one boy diver, Steve Burt, also is leaving Wasco High this year. He has the school record for both of the six and eleven dives. He placed a magnificent fourth place in the League meet. We are really going to miss Deena Eskew and Steve Burt in our next year's diving team. Three other divers who are rapidly improving in diving are: Marco Ledesma,

a junior; Lori Woolly, a sophomore; and Traci Bond, a freshman. Hopefully, these divers will be with us again next year.

These divers are appreciated very much by the swimmers; they add to the team scores. It takes a lot of guts to be a diver, and without guts, there is no glory.

"Life in the fast lane"

Who's got the best darn swimmers in the SSL? That question was answered last year as the Wasco girls ended their season with a 5-0 record. They were also undefeated in preseason contests.

After being beaten the year before by Shafter and Taft, the girls were out for revenge. The first team they faced was the defending champion, Taft girls. Wasco started out leading and never let up. That win was the most satisfying win of them all. At Shafter, the same thing took place. Wasco started out ahead and kept getting more points.

The team had a number of superstars. Debbie Nugent was undefeated during the regular season. She ended the year with a fourth in Valley in the 100 back.

Mary Scales also had a great season. She beat her arch rival, Laura Evanoff in the 100 yard freestyle. She took fifth at Valley in the same event.

Suzie Fulwyler placed tenth in the 100 yard backstroke in Valley. Toni Crutchfield also placed in Valley. Suzie, Toni, Debbie, and Mary combined together to break a school

record in the Medley relay.
For "79" the team is almost
exactly the same as last year. The
only difference is a new coach, and
some new freshmen. The new coach
is John Turner. With his help, the
girls should repeat the championship year with no problem.

In 1978 the boys' swimming team had a hard time winning. A small team was the reason for this. Wasco had some talented people but they didn't have any depth. The most exciting win came against Taft. That meet came down to the last relay before it was decided. Wasco won the relay. They won the meet by two points. The score was 76-74. Other league wins were over Garces and Corcoran. Outstanding individual performances were turned in by David Ward and Warren Craig. These two guys were the leaders of the team. A first year swimmer, Joel Reimer, had a good year, also. He turned in some good times and contributed varsity points. This year the boys picked up a lot of good freshmen and a couple of upperclassmen. The boys also gained a new coach. The new coach is John Turner. They have a really good chance of taking the league championship this year.

That's a long way down!

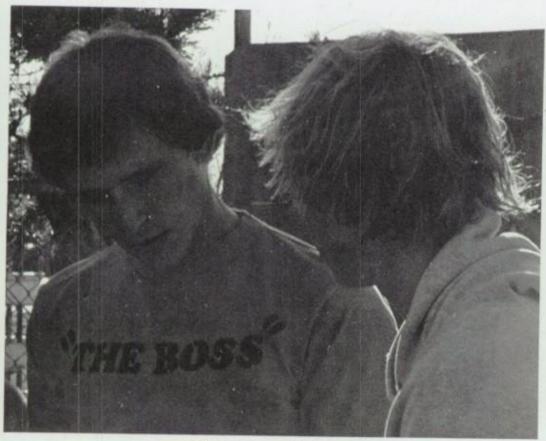

Just a little bit more, Warren

Sacrificing Themselves For The Championship

Front row: L to R: E. Nixon, K. Crouch, M. Azparren, R. Sanchez, J. Sabala, M. Munoz, P. Sanchez, M. Hardoin. Back row: L to R: Stat. B. Penner, W. McDaniel, G. Ursery, J. Hart, D. Nazaroff, M. Mosby, M. Moore, K. Boydston, T. Ortiz, Stat D. Ingalls.

Thee is a new look to the Varsity baseball program this year. Coach Hammack, last year's Junior Varsity coach, is now taking over as Varsity head coach. He has done an excellent job with the Junior Varsity, winning many championships. This year should be an excellent season for the baseball team. Many of last years starters are back, including two-time all-league selecting, Manny Munoz. If the Tigers can play up to their potential, then look for them to win the league championship.

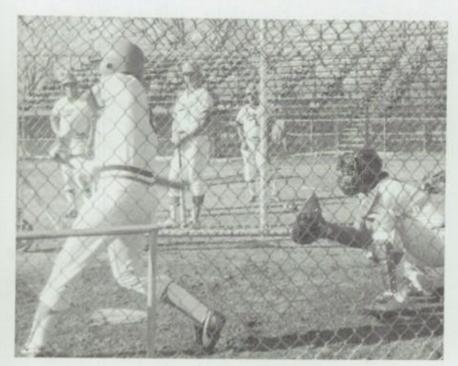

Coach Hammack

Nixon studies the runner.

Mosby gets under an easy fly ball.

Crouch takes a good cut.

Azparren slides safely into second.

Yes Joe, you're out.

Ursery swings at one.

Ortiz gets in good position.

Coach explains something to his players.

Hardoin strikes a pose.

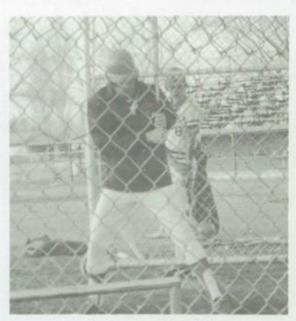

Azparren anticipates a fly ball.

Coach Chapman

This year's Frosh-Soph baseball team has promise for a championship team. Three returning sophomores will anchor the team. Greg Tovar will lead the pitching staff along with Derek Eskew and Brett Kendig. Jessie Bravo, Sal Sanchez, and Larry Evans will balance out their attack with strong hitting, proving that the cubs should make strong bid for the title.

I got it!

This year the Frosh.-Soph. Cheerleaders have been dedicated and have worked hard to promote spirit. They traded off with the Songleaders and Varsity squad on going to away basketball games and wrestling matches. Several people commented that they enjoyed working with the girls and they always seemed to have smiles on their faces.

Shelle Messick is the only Freshman on the squad, the rest are Sophomores. Beverly Taylor is the only returning Frosh.-Soph. Cheerleader. With her experience, she brings a great deal of enthusiasm to the cheerleading squad.

Aah . . . Come on girls!

Here comes trouble!

They Play The Field

This year the Wasco High Softball team has nine returning players. Kim Gorden, Jean Lacy, Kim Reding, Dolores Sanchez and Tammie Payne are experienced players. Sandy Merritt, April Masters, Stephanie Payne and Soccarro Perez were also a part of the new team last year, but did not get a chance to play much. There are 15 new players this year, 10 freshmen and 5 sophomores. The 1979 softball year should be a rebuilding year for the team. There are only two graduating seniors on the team this year. There are many promising players such as Lisa Hall, Alice Turney, D'Juana Chalmers, Rochelle Callahan, Marie Sanchez, Lori Riley, and Cindy Bozarth. The softball team is working very hard, emphasizing on base-running and defense. They also are maintaining a high rate of enthusiasm. Best of luck with your season, girls!!!

Just For Kicks.

Although their overall season record was 6-8, our Soccer team did reasonably well for this being their first year in the league. The soccer team played many Bakersfield teams and proved that they were just as equally tough to survive in the league. Mr. Zettel was their coach this year and he thought they did a great job and hopes next year will be even better. We hope so too! Good luck, soccer — keep on kickin'!

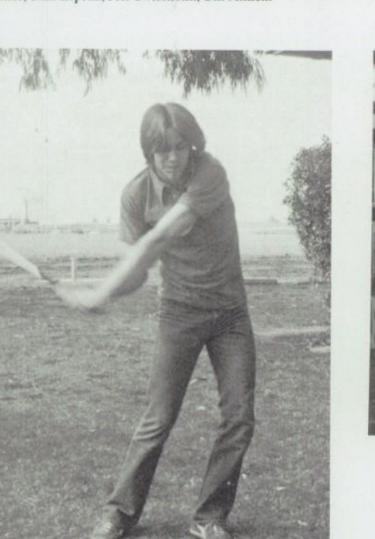

Coach Zettel

Top row: Left to Right: E. Ortiz, J. Rico, S. Martin, A. Compos, J. Ramirez, J. Sierra, J. Zamora, F. Velez, C. Sloan, J. Mosquedo. Bottom row: Left to Right: S. Bowles, M. Lara, F. Arredomdo, P. Ramirez, R. Lara, M. Velez, M. Sancez, A. Garnica, M. Bio, J. Ortiz.

Front: L to R: Carlos Azparren, Richie Mendivel, Shane Beach, Mike Lugo, Jeff Garland. Back: L to R: Layne Skeels, Joey Wells, Ted Burtner, Dan Espitia, Jeff Swisshelm, Bill Amick.

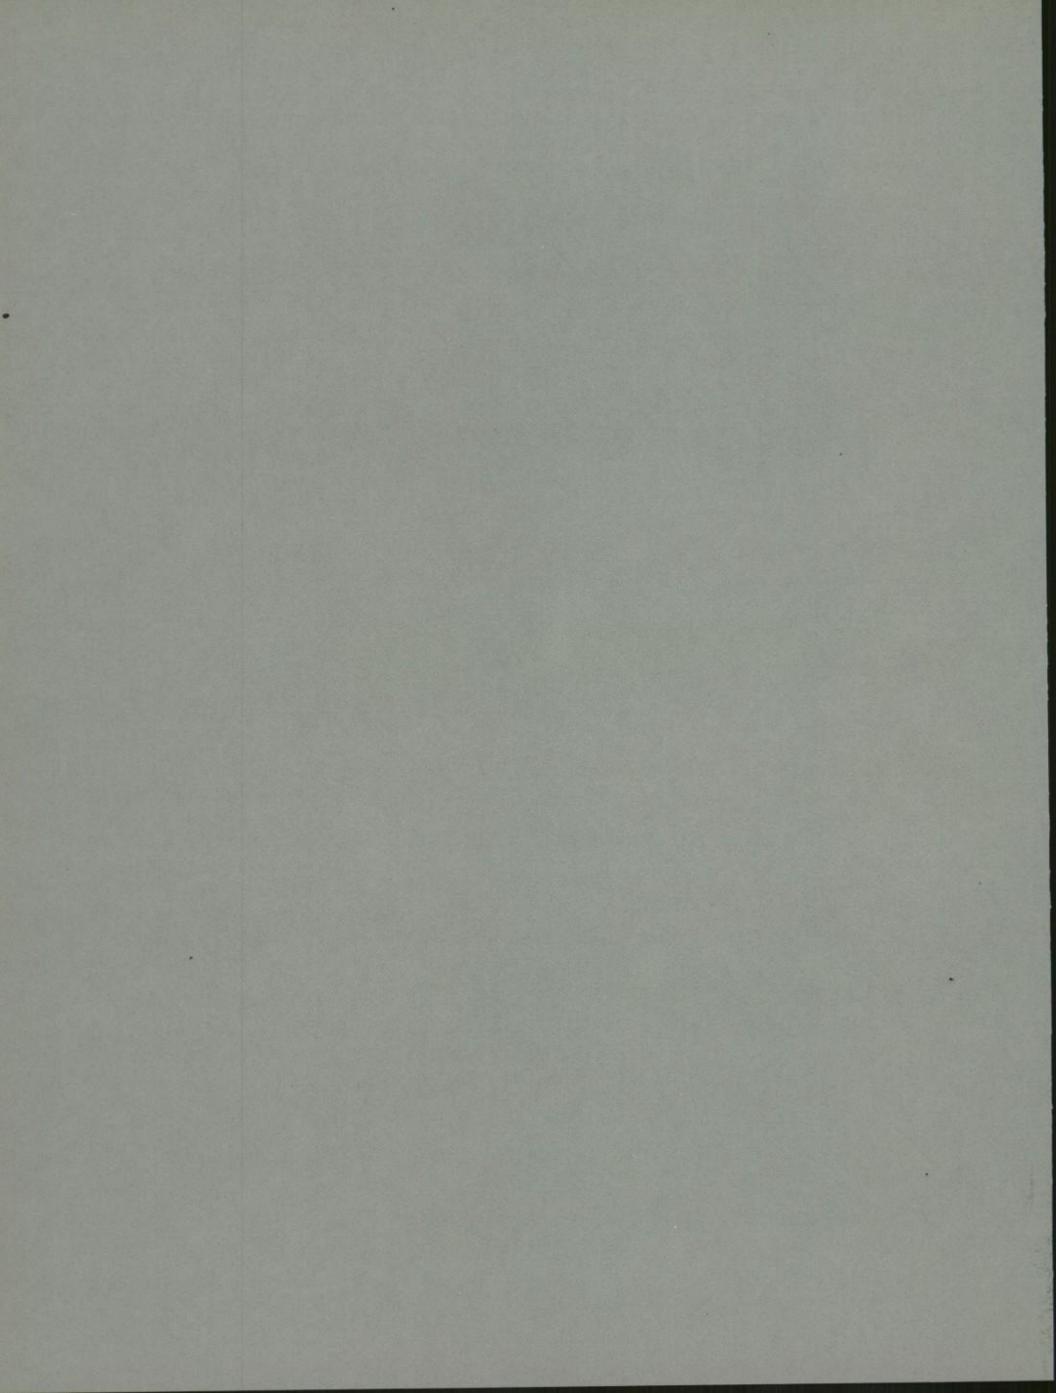

Arnold Palmer — junior.

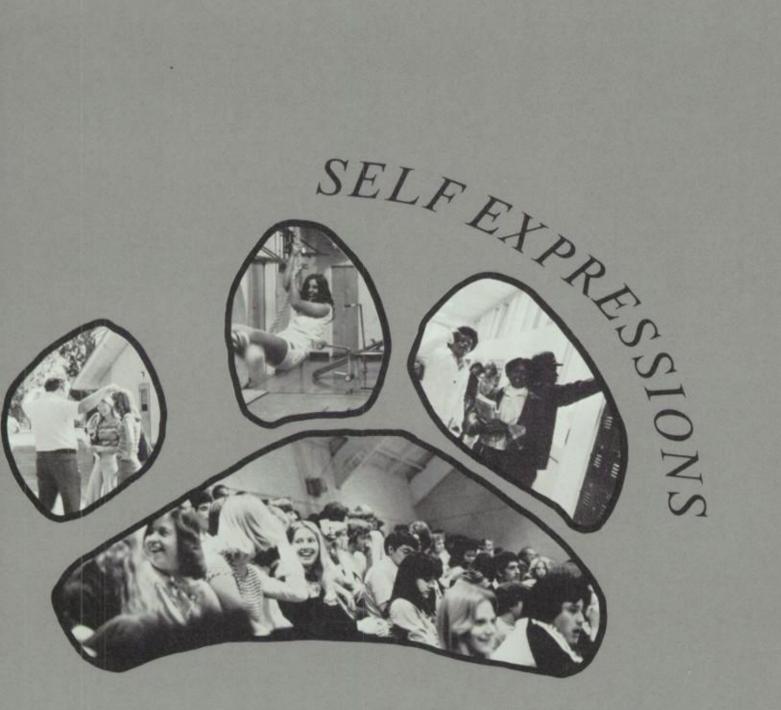

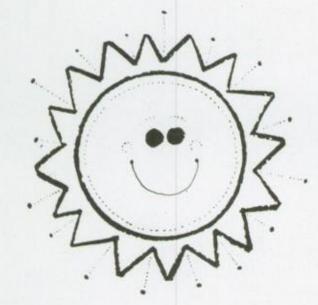

Coach Gary Cheatwood.

For the second year Wasco High has got a golf team, and this year they have a good chance at the S.S.L. Championship.

Last year Wasco did well for their first year in league, with starters from last year including Jeff Garland, Ted Burtner, and Mike Lugo, and with Gary Cheatwood coaching them, Wasco should end the season with a very respectable record.

Enchantment

I walked in peace beside the stream With naught to do but look and dream

I turned by chance while passing by A shimmering whirpool caught my eye

With arms outstretched and laughing face You said, "come in, you'll like this place."

A foolish child with no foresight I took that hand and sank from sight

And for a little while it seemed These were the things for which I dreamed

Then came the doubt that always does the 'if' of then was now the 'was'

But now I find I cannot leave For though to stay only means to grieve.

Cambios

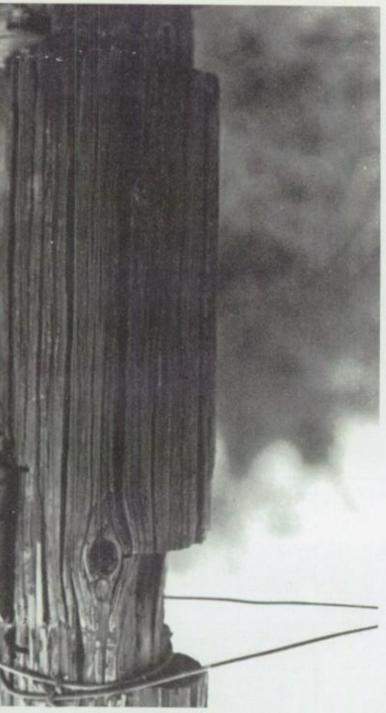

Todo cambio en el mundo, ayer estaba en boton ese lirio, esas nubes que vagan en o caso en la cuna del sol, en la cuna del sol,
esa tierna, inquieta gaviota,
en las olas del mar,
Tu pensamiento en el recuerdo mio
(parque ol fin nos sujimos adorar)
Yahora, ahora el blanco lirio
ashojandose esta:
las nubes del oriente en el ocoso,
las golondrinas en im desiesto hogar,
tu pensamiento en la brillante idea
de otro nueva ilucion: de otro nueva ilucion: tu alegre, satisfecho, y venturoro i y aislado triste y sin sonsuelo yo!

Crisp leaves of gold and red Falling softly from overhead White clouded skies intense with blue, Seasonal changes of golden hue. Trees that reach to hold you in their arms To love and keep you from any harm.
The deep, dark earth to drink your tears, And then a spring to calm your fears.

It's There I Want My Home

I went into the mountains, just to stay awhile.

I found a quiet meadow. It stretched for 'most a mile.

The birds were calling sweetly, through the clear, cool mountain air, While the deer were running swiftly without a single care.

The wind was blowing softly through the grass and big green trees.

The leaves were barely moving, it was just a little breeze.

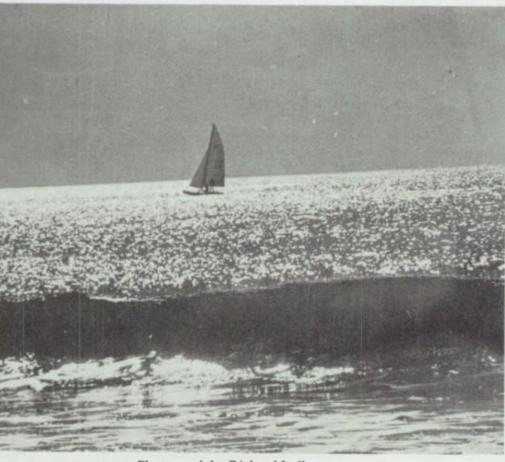

The stream was bubbling onward, the water cold and clear.

And just beyond the bend, the water-fall was near.

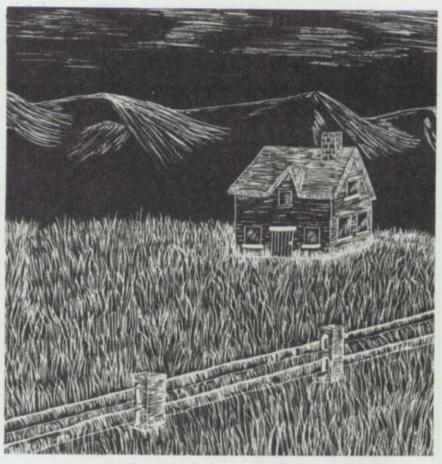

The flowers were just then blooming, their colors soft and light.

It's there I want my home, Everything was right.

Darkness surrounds me as does the silence, I am but a figure in the dark With no light to guide me, I try to reach out and find something to hold, But my hand turns up empty, lonely, and so cold.

In the darkness of my room I sense someone with me, Patting my hand, speaking softly, lovingly, and knowingly, I don't feel alone anymore.

And so I reach out into the darkness, And I find a light, not of substance, but within me, Making me warm, Making me belong.

It's not my way to rhyme my lines; to speak with speed or climb some pines.

Everyone's got a gift that sets them high; or gives a lift.

It's life He gave to me; and He gave it to you, can't you see?

Young emotions are more than great Knowing love, not knowing hate. Soon we realize in our mind Not everyone is truly kind.

I do not know where hate comes in, It's not from God, for it's a sin. We should always love one another. Our fellow man is our true borther.

Let's change the world from hate to love And be joined together in the stars above.

Baseball

Baseball is a summer sport
That people like to play.
Some people get very good
and they may make the pros.
Most people like to win
And some just don't care.
But if they don't want to win
What are they doing out there?
Then there are the parents
Who want their kids to play
They push them to be better
And they have them practice everyday
The parents of the kids
Shouldn't come at all
They should give them a bat
And let them play ball.

SPORTS

Sports, Sports, everywhere
Are there too many sports on the air?
Football, Baseball, Basketball, Tennis
Staubach, Namath, Palmer, Mcginnis.
Are sports starting to run our lives?
All the betting, is it wise?
Money won, Money lost,
How much money will it cost?
Sports in the morning, Sports at night.
Sports in the evening, is it right?
We plan our day around sports events
National T.V. is making a mint.
All the sports are getting vain
But everyone's watching, so who's to complain?
Sports in the U.S., Sports in Japan
In most countries they have a sport plan.
I am one of the many today
I like sports in every way!!!

High School

High school is such a big drag, We all wish we could just kick back and lag But when it comes time for college We know we must have all of the knowledge.

The thing that makes high school fun is sports And answering teachers with sly retorts. It'll always be fun to ditch class But then we must repent at each mass.

At the end of our high school days, We'll all realize that high school pays Studying, playing sports, and running track I wonder if I'll want to come back.

Poem

As I sit here writing this verse, I realize it could not be much worse As some of those poems that have nothing to say. Mine has a meaning, in its own way.

There's nothing harder than trying to write A poem that makes people see the light. It's the hardest thing I've ever tried to do. My poems are terrible, although they are few.

Many people can sit and compose A verse that's as beautiful as a rose. This kind of ability, I just ain't got. Mine turn out terrible, believe it or not.

Although I try, I just can't succeed. Maybe practice is what I need. I guess I'll go back and try it again, But please, Mrs. Parker, give me a ten.

Expressions

Freshmen try to show spirit.

What could be that scary?

Students watch teachers look like fools.

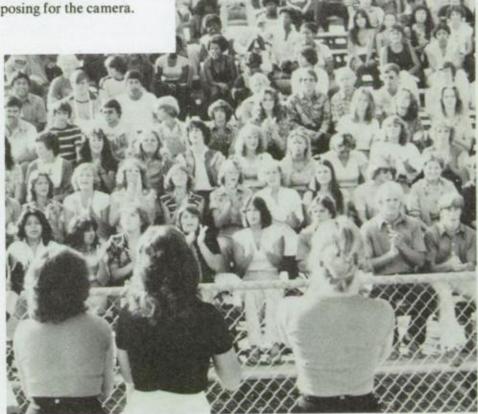

Can you really work while posing for the camera.

The thrill of it all.

Todd, you wouldn't?!

Seniors show great enthusiasm.

Julie expresses her pain.

Deena peaks up for the camera.

Joe feeds his face as usual.

Mr. Rexius finally gives a smile for yearbook.

Terri on a natural high.

Viga looks disgusted again.

Oh, those weekends!

What did you do last night?

Gotcha Dan.

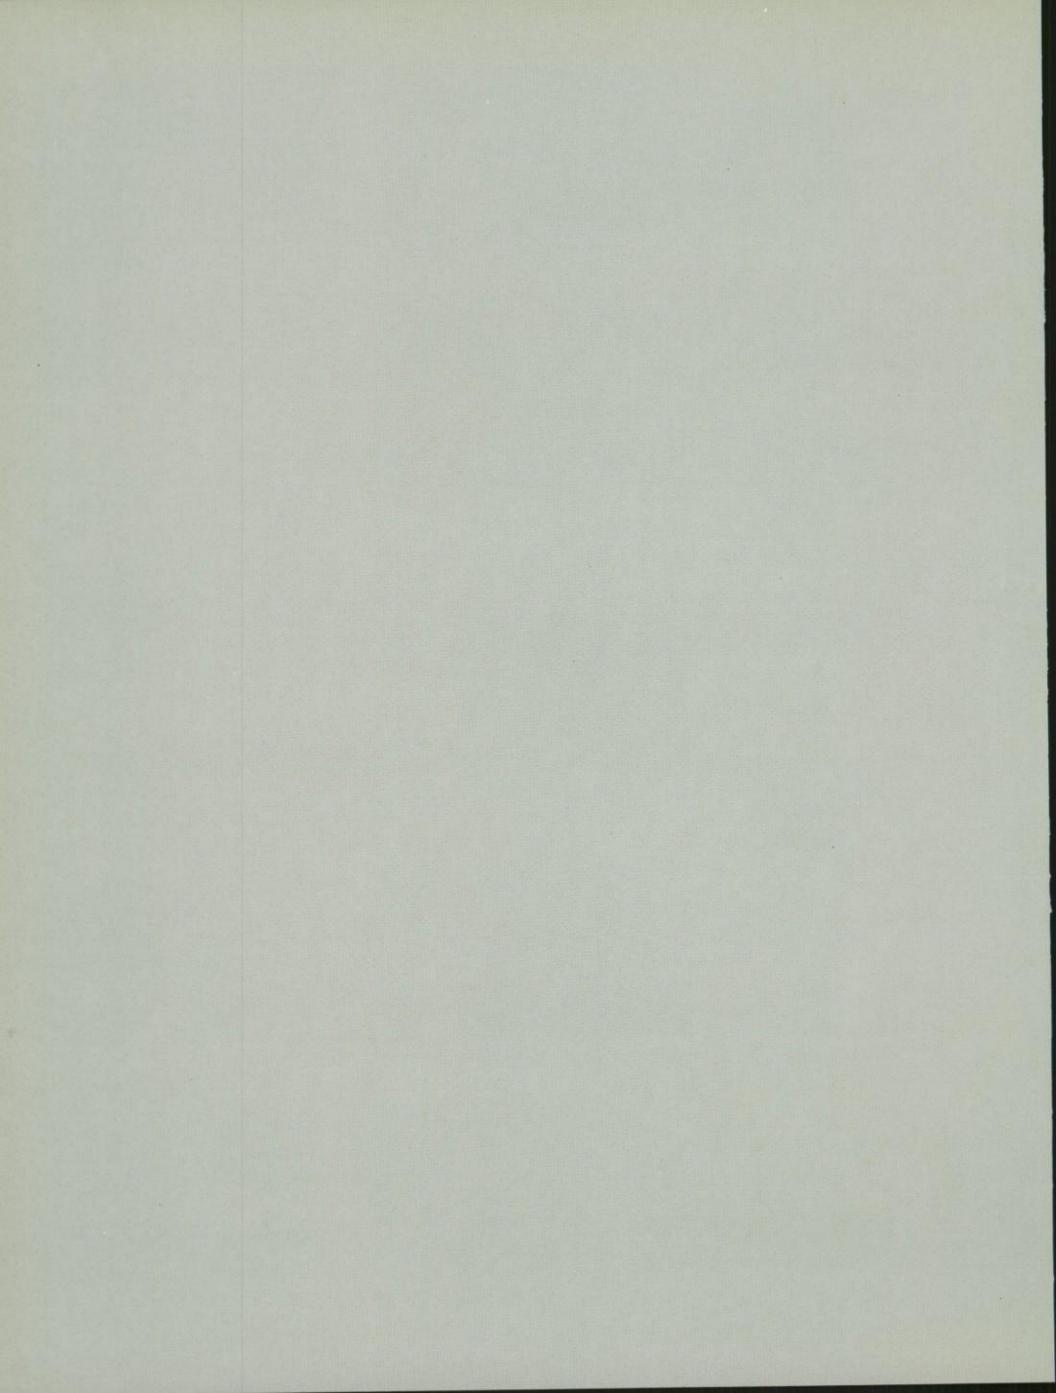

Is it really that boring?

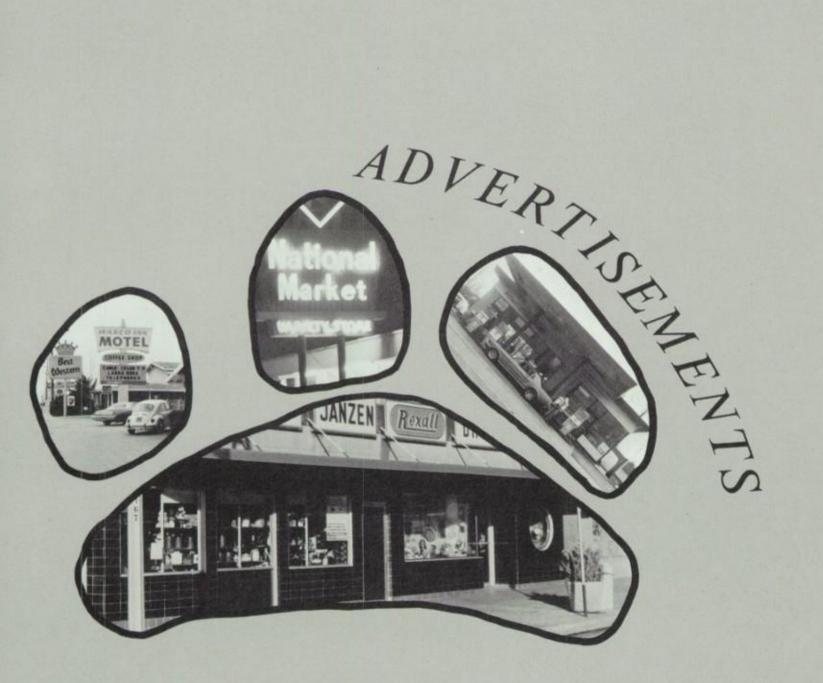

Surprise!!

Mr. Wilkins altra-bright smile.

Zamora, Carlos 128

Twas the night before the final deadline And all through the room, Chaos was stirring Typewriters zoomed. While Miss Whisler sat, drowning in tears, The staff was bustling about in fear, With the hope Viga Hall would come later this year. While Mrs. Gafner was counting our dimes, Mr. and Mrs. Rexius gave hours of time. Mrs. Hill and all her student lists, Without them our deadlines were sure to be missed. Mr. Morales we could never forget, He gave up his classroom and without a fit. So we thank all these people, generous and dear For making our yearbook possible this year!

Thanks To:

Miss Jo Whisler — For all her time and understanding. Mr. Viga Hall - For being so patient. Mrs. Helen Gafner — For keeping track of all our money. Mr. and Mrs. Ray Rexius - For all their time, pictures, and all those blo-ups. Mrs. Gloria Hill - For all the student lists. Mr. Alex Morales — For understanding when we kicked him out of his room. Mrs. Beverly Parker — For filling in as supervisor on our trip to L.A. and all her care.
